# Çamlıca TOWER TOUR

We start the tour by visiting the tallest building (369m from sea level 587m) not only in Türkiye but the whole of Europe. The tower was put into service in 2021 making it the newest symbol of the city. It has a terrace that allows you to see all parts of the city. Our second stop includes a visit to Çamlıca Mosque, the biggest mosque in Türkiye. We will later visit the highest hill of Istanbul, Çamlıca Hill. End the tour by visiting Akasya Mall where you will spend your free time shopping.

# Asian

## PAVILLIONS TOUR

This tour is more for those who want to explore different places apart from the European side. Start the tour by visiting Beylerbeyi Palace, built by Sultan Abdulaziz Han. Then move to see Mecidiye Pavillion built near Bosphorus. Our next stop includes the biggest mosque around Turkiye camlica Mosque - experience the amazing Bosphorus views and end the day with leisure time for you to explore Akasya Mall. All these places are situated on the Asian side. We highly recommend the tour to those who want to discover new and different places.

# Princess

## ISLAND TOUR

You will be picked up from the hotel and be transferred to the seaport to catch the ferry. The ferry ride takes about 1.5 hours to reach Princess Island located in the Marmara Sea. You will have an opportunity to travel with electric cars on the island. Spend 1.5 hours traveling up and down the island with electric cars where you will enjoy the smell of nature to the fullest. Also, get a chance to explore the following optional activities: rent a bike, eat ice cream or have lunch at a fish restaurant before we return back with the ferry.
